INTRODUCTION

IIInd Edition

This book describes with help of words the complete universe the way it is. I communicated with God through my inner senses to get all information I believe I could. The true nature of universe in modern days should be penetrated in all cells and molecules of Human Beings so that they can live Good Life. Stephen Hawking is doing the same thing I am doing. I have a Mathematical Model to let you know yourself. You can verify and test any statement. The statements are actual facts about our universe as told to me by my Father and Mother (God Siddanath) to clarify the Real Nature of Universe.

The purpose of this book is to spread the wisdom that is our birthright to know and use in our everyday life in these modern days. This book has everything that Readers could Love to read and tell all because it will ring true to your soul when you read it. The purpose of this book is to cause the reader a powerful Experience of "LIFE" and what Life is all about. Life's ultimate Reality is to have Joy only. Joy is true nature of universe. Love is the only Emotion in the Universe. The purpose of this book is to tell everything about God, Government and Public, so that each can know all and all can know that each has understood everything.
